Minutes from the January 8, 2020 Stewardship Committee meeting were reviewed by Mark and approved. (motion to approve 1st Tom P., 2nd Lynn M)

Parish council minutes were reviewed by Mark. The committee discussed the parish council recommendation to use the website for parish ministries. Discussed possibilities for individual ministries to submit their own information to the parish webmaster to add to their appropriate page.

Old Business

Mark updated the group on the Stewardship Forms and Fair Follow-up. All NEW volunteers have been contacted. Jan and Maryanne discussed the data process and tracking for "new" volunteers for ministries. The Stewardship committee agreed to assist with identifying the "new" volunteers for next year's volunteer drive. This will help to facilitate the ability of the parish office to track "new" volunteers. Liana offered to work with the parish webmaster and provide a description using the current information in the Stewardship directory as a starting point.

New Business

Mark discussed a proposed Parish-Wide Fundraiser. The committee did not think fundraising was in their goals or mission. They did encourage any member who wanted to participate in the project do so separate from the Stewardship Committee.

Sue Cavanaugh, guest at the Stewardship Committee, shared information on the Stewardship at another parish in Arlington, Texas. Information included fliers, commitment cards, how they handles the Stewardship Fair, speakers at church from various ministries and how they got involved. Sue also recommended using group photos only in print and web materials. Her input was very much appreciated by the committee.

The committee also agreed to thank Bob Ruh for his service on the committee with a gift certificate and dinner at the K of C after tax season.

The next meeting is March 11, 2020.

Lynn M. agreed to provide the next meditation.

Meeting adjourned at 8pm. (Motion by Mark, 2nd by Lynn)

Respectfully submitted by Liana Bachand, secretary
