Parish council minutes were reviewed by Mark. The committee discussed the parish council recommendation re: mailing out the Stewardship booklet. It is available in the church and included in the new parishioners' packet. Cost for mailing is quite high. The committee will discuss further at the next meeting.

Old Business

Mark reviewed the current results from the Stewardship Fair: 217 forms were turned in, last year 300+. Once all of the forms are in after next weekend, a thank you will be included in the bulletin. A note in Stewards in Action will also include a thank you and "it's never too late to sign up" to encourage further involvement. Options for next year's fair were also discussed.!

It was encouraged to include the ministries with the most need for volunteers to be listed on the parish website. Bob C encouraged other recommendations to be sent to him by December 12th for the December 15th issue..

Liana agreed to work with MaryAnne on an appropriate data request for the committee to review and form a plan for the next year's efforts. The information would allow for the committee to assist in an appropriate role to assist the office staff with follow-up to those individuals who have signed up for a ministry. It could also mean follow up with the various ministries..

The next meeting is January 8, 2020.

Bob C. agreed to provide the next meditation.

Meeting adjourned at 8pm. (Motion by Lynn M. 2nd by Tom P.)

Respectfully submitted by Liana Bachand, secretary
